Outdoor Terrace

Lunch

13.45 – 15.45
*Forum
Headquarters,
Mont Blanc A*

Gap Analysis I – Activities and Inputs

With a global landscape analysis of digital development initiatives as a key input, this session will review the current digital development initiative landscape; discuss areas where there are both key gaps as well as overlaps; and explore opportunities for collaboration. This will be the first of two sessions. It will look at the landscape analysis through the lens of activities or inputs.

Chaired by

- **Lauren Woodman**, Chief Executive Officer, Nethope, USA
- **Frank McCosker**, General Manager, Affordable Access and Smart Financing 4Afrika, Microsoft, United Kingdom

Table Host

- **Becca Gould**, Senior Vice-President, Public Affairs, American Tower Corporation, USA
