### 2.03 Sustainability of T&T industry development

How would you assess the effectiveness of your government’s efforts to ensure that the T&T sector is being developed in a sustainable way? [1 = very ineffective—development of the sector does not take into account issues related to environmental protection and sustainable development; 7 = very effective—issues related to environmental protection and sustainable development are at the core of the government’s strategy] | 2011–2012 weighted average
