Workshop: NETmundial Initiative Initial Scoping

Welcome by Professor Klaus Schwab, Founder and Executive Chairman, World Economic Forum

Opening remarks by

- Virgilio Almeida, Secretary for Information Technology, Brazil
- Fadi Chehadé, President and Chief Executive Officer, Internet Corporation for Assigned Names and Numbers (ICANN)
- Toomas Hendrik Ilves, President of Estonia

Facilitated Discussion

Policy dialogue: What key Internet governance issues would benefit from additional high-level interdisciplinary (e.g., cross-ministry and cross-industry) multistakeholder dialogue? Which particular perspectives, expertise and stakeholders need to be engaged?

Projects: What types of capacity building assistance are most needed in developing countries to enhance access and governance? More generally, how can the capacity of the decentralized Internet governance ecosystem be enhanced to better enable distributed groups to coalesce and deliver solutions in response to specific challenges?

- Issue-to-Solution Mapping Mechanism | GovernanceLAB MIT/NYU
- Best Practices for Distributed Governance Groups | Berkman Center for Internet and Society – Harvard University
- Best Practices for Local Multistakeholder IG Structures | The Brazilian Internet Steering Committee (CGI)
- Toolkit for Internet Corporation/Governance | Internet Corporation for Assigned Names and Numbers

Consultation: How should consultations with multiple stakeholders to inform and help shape the Initiative's activities and ultimate organizational structure be organized?
