As a registered participant, you are granted access to the full list of participants who are attending this event. It is the policy of the World Economic Forum to safeguard the privacy of its Members, Partners and Constituents by preventing any misuse of personal data provided to us for the purpose of facilitating contact and dialogue in furtherance of the Forum's mission.

In this respect, the Forum grants you access to participants' personal data provided that participants:

- Treat any information related to the list of participants and participant personal data as strictly confidential;
- Use it for the sole purpose of personal communication and dialogue in furtherance of the Forum's mission;
- Not use this information for any other purpose, including solicitation for commercial endeavors;
- Respect the right to privacy and data protection of participants, in accordance with the Regulation (EU) 2016/679 (General Data Protection Regulation) and Swiss data protection law.

In case of violation of this provision by a participant, the Forum reserves the right to take any action it deems appropriate and necessary to protect the nature and the confidentiality of its activities.

The Forum is the data controller for all personal data it collects from its participants. For more information about the Forum's data privacy practices, please read our Privacy Policy here <https://toplink.weforum.org/page/terms>.
