Note: Income level classification follows the World Bank classification by income (situation as of July 2014). Group classification follows the International Monetary Fund's classification (situation as of October 2014).

* Income groups: HI = high-income economies that are not members of the OECD; HI-OECD = high-income OECD members; UM = upper-middle-income economies; LM = lower-middle-income economies; LI = low-income economies.

† Groups: ADV = Advanced economies; CIS = Commonwealth of Independent States; EDA = Emerging and developing Asia; LATAM = Latin America and the Caribbean; MENAP = Middle East, North Africa, and Pakistan; SSA = Sub-Saharan Africa.
