

# Strategic Intelligence Calendar of Events 2024

DECEMBER 2023

---

15-19 January 2024:  
**Annual Meeting of the  
World Economic Forum**

The 54th Annual Meeting of the World Economic Forum will focus on exploring opportunities enabled by the new technologies and their implications on decision-making and global partnership.

As in previous years, the upcoming Annual Meeting 2024 will be the foremost platform to drive public-private cooperation at the highest level, convening over 100 governments, all major international organizations, the 1,000 most important global companies, relevant civil society and academic institutions, as well as the global media.

The following are World Economic Forum meetings and events that will take place after the Annual Meeting in 2024:

---

31 January 2024:  
**Davos Debrief 2024**

Tune in to hear from experts who participated in the World Economic Forum Annual Meeting 2024 in Davos, as they discuss their takeaways and reflections on the top trends that will impact industry, government and society in the year ahead.

---
